Description: Single story brick masonry building of locally manufactured brick, rectangular in

Facade is organized, like that of the ground story of the Prutsman Building (Inventory #4), as three major openings under segmental arches, the two outer bays being shop windows with brick bulkheads, the central bay being an entrance. Window sash and door have been replaced. Major vertical divisions are marked by beveled brick pilasters from

foundation to parapet, and the upper wall is articulated by corbeled string courses, the topmost of which is denticulated. On the rear, or south wall is a frame shed addition. This building housed the U.S. Post Office in Weston from 1910 to 1960. It is presently used as a residence.
