D&F Cafe (Common name)
102 East Main Street, Weston, Oregon

102 East Main Street
Common name: D and F Cafe
Date of construction: c. 1912
Style: Vernacular, Western False Front
Significance: Compatible

Description: Single-story frame building with gable roof oriented longitudinally on lot 21 feet wide. Historic views of ca. 1915-1920 show that siding and false front are shiplap and that false front had the kind of wooden cornice which made this vernacular type the simplest expression of the Italianate Style. The shop front had traditional display windows and wood bulkheads. About 1956 the exterior was comprehensively stuccoed and the cornice removed. A canopy was added to shelter the remodeled

storefront in which bulkheads of plate glass windows are veneered with brick. While this property dates from the secondary period of development, it is presently classified for tax purposes as compatible owing to the effect of the 1956 alterations upon the character of the building.
